Kids & Mentors

Opening Friday 27th November 2009 at 6.30pm and continuing until 24th December. To be opened by Edie Wright, Manager of Aboriginal Education for the Kimberley, in conjunction with Students, Mentors and Staff.

Students from Wangkatjungka Remote Community School shared a painting studio with their Elders, bringing together artists aged from 13 years to 75 years. The shared tradition of stories and family clan groups allowed these young artists to produce some remarkable paintings under the guidance of their experienced senior mentors. The School and students received support from the Department of Indigenous Affairs' Reconciliation Sponsorship Scheme.
