

Name: _____

1 | Using your memory, draw a gumleaf shape.

2 | Collect a gumleaf. Observe (look at) the leaf.
Draw a **contour line drawing** of the outside line of the leaf.
(Do not lift up your pencil from the page.)

3 | Observe (look at) the leaf.
Draw an **observational line drawing** of the outside line of the leaf.
(You can lift the pencil off the page, you can erase any mistakes.)

4 | Trace the shape of a "real" gumleaf.
